.77	Gastrointestinal endoscopy	Post-endoscopic retrograde cholangiopancreatography (ERCP) septic complications
۲٤.	Gastrointestinal endoscopy	Treatment of sphincter of Oddi dysfunction
.70	Gastrointestinal endoscopy	Management of benign esophageal strictures
۲٦.	Gastrointestinal endoscopy	Argon plasma coagulation in the management of gastrointestinal hemorrhage
. ۲۷	Gastrointestinal endoscopy	Methods to achieve hemostasis in patients with acute variceal hemorrhage
۸۲.	Gastrointestinal endoscopy	Overview of the treatment of bleeding peptic ulcers
. ۲۹	Gastrointestinal endoscopy	Gastrostomy tubes: Complications and their management
.۳۰	Gastrointestinal endoscopy	Gastrostomy tubes: Placement and routine care
.٣١	Gastrointestinal endoscopy	Endoscopic procedures in patients with disorders of hemostasis
.٣٢	Gastrointestinal endoscopy	Management of anticoagulants in patients undergoing endoscopic procedures
.٣٣	Gastrointestinal endoscopy	Management of antiplatelet agents in patients undergoing endoscopic procedures
.٣٤	Gastrointestinal endoscopy	Contact thermal devices for the treatment of bleeding peptic ulcers
.70	Esophageal disease	Benign lesions of the esophagus
.٣٦	Esophageal disease	Caustic esophageal injury in adults
.٣٧	Esophageal disease	Clinical manifestations and diagnosis of eosinophilic esophagitis
.۳۸	Esophageal disease	Esophageal rings and webs
.٣٩	Esophageal disease	Globus sensation

٠٤٠.	Esophageal disease	Ingested foreign bodies and food impactions in adults
.٤١	Esophageal disease	Mallory-Weiss syndrome
. £ Y	Esophageal disease	Medication-induced esophagitis
. ٤٣	Esophageal disease	Treatment of eosinophilic esophagitis
. £ £	Esophageal disease	Zenker's diverticulum
. ٤0	Esophageal disease	Approach to refractory gastroesophageal reflux disease in adults
. ٤٦	Esophageal disease	Clinical manifestations and diagnosis of gastroesophageal reflux in adults
. £ Y	Esophageal disease	Complications of gastroesophageal reflux in adults
. ٤٨	Esophageal disease	Evaluation of the adult with chest pain of esophageal origin
. ٤٩	Esophageal disease	Hiatus hernia
.0+	Esophageal disease	Medical management of gastroesophageal reflux disease in adults
.01	Esophageal disease	Non-acid reflux: Clinical manifestations, diagnosis, and management
۰٥٢	Esophageal disease	Achalasia: Pathogenesis, clinical manifestations, and diagnosis
٥٣	Esophageal disease	Approach to the evaluation of dysphagia in adults
.0 £	Esophageal disease	Esophageal motility disorders: Clinical manifestations, diagnosis, and management
.00	Esophageal disease	Gastrointestinal manifestations of systemic sclerosis (scleroderma)
.०٦	Esophageal disease	Oropharyngeal dysphagia: Clinical features, diagnosis, and management
٥٧	Esophageal disease	Overview of gastrointestinal motility testing
٥٨	Esophageal disease	Overview of the treatment of achalasia
٥٩	Esophageal disease	Barrett's esophagus: Epidemiology, clinical manifestations, and diagnosis
	Esophageal disease	Barrett's esophagus: Pathogenesis and malignant transformation
71	Esophageal disease	Barrett's esophagus: Surveillance and management
.77	Esophageal disease	Local treatment for gastrointestinal stromal tumors, leiomyomas, and leiomyosarcomas of the GIT
.7٣	Esophageal disease	Management of locally advanced, unresectable and inoperable esophageal cancer
.7 £	Acid peptic disease	Approach to the adult with dyspepsia
. 70	Acid peptic disease	Functional dyspepsia in adults
.77	Acid peptic disease	Acute and chronic gastritis due to Helicobacter pylori
٦٧	Acid peptic disease	Classification and diagnosis of gastritis and gastropathy
٦٨	Acid peptic disease	Metaplastic (chronic) atrophic gastritis
7.9	Acid peptic disease	Barrett's esophagus: Epidemiology, clinical manifestations, and diagnosis
٧٠	Acid peptic disease	Association between Helicobacter pylori infection and gastrointestinal malignancy
٧١	Acid peptic disease	Indications and diagnostic tests for Helicobacter pylori infection
٧٢	Acid peptic disease	Treatment regimens for Helicobacter pylori
. ٧٣	Acid peptic disease Acid peptic disease	Approach to refractory or recurrent peptic ulcer disease
٧٤	Acid peptic disease Acid peptic disease	Causes of upper gastrointestinal bleeding in adults
.٧٥	Acid peptic disease Acid peptic disease	Epidemiology and etiology of peptic ulcer disease
٧٦	Acid peptic disease Acid peptic disease	NSAIDs (including aspirin): Primary prevention of gastroduodenal toxicity
VV	Acid peptic disease Acid peptic disease	NSAIDs (including aspirin): Secondary prevention of gastroducderial toxicity
. ٧٨	Acid peptic disease Acid peptic disease	NSAIDs (including aspirin): Treatment of gastroduodenal toxicity
. ٧٩	Acid peptic disease Acid peptic disease	Overview of the complications of peptic ulcer disease
	Acid peptic disease Acid peptic disease	Peptic ulcer disease: Clinical manifestations and diagnosis
	Acid peptic disease Acid peptic disease	Peptic ulcer disease: Ginical manifestations and diagnosis Peptic ulcer disease: Genetic, environmental, and psychological risk factors and pathogenesis
	Acid peptic disease Acid peptic disease	Peptic ulcer disease: Management Peptic ulcer disease: Management
	Acid peptic disease Acid peptic disease	PPI: Overview of use and adverse effects in the treatment of acid related disorders
	Inflammatory bowel disease	Clinical manifestations, diagnosis and prognosis of Crohn disease in adults
,A2	Inflammatory bowel disease	Epidemiology and environmental factors in inflammatory bowel disease in children and adolescents
.^3	Inflammatory bowel disease	Management of Crohn disease after surgical resection
	Inflammatory bowel disease	Overview of medical management of high-risk, adult patients with moderate to severe Crohn disease
	Inflammatory bowel disease	Overview of medical management of high-risk, adult patients with moderate to severe Cronn disease Overview of the medical management of mild (low risk) Crohn disease in adults

. 49	Inflammatory bowel disease	Overview of tumor necrosis factor-alpha inhibitors for Crohn disease in adults
.9 •	Inflammatory bowel disease	Perianal complications of Crohn disease
.91	Inflammatory bowel disease	1-MP metabolite monitoring and TPMT testing in patients with inflammatory bowel disease
.97	Inflammatory bowel disease	Antibiotics for treatment of inflammatory bowel diseases
.9٣	Inflammatory bowel disease	Definition, epidemiology, and risk factors in inflammatory bowel disease
.9 ٤	Inflammatory bowel disease	Endoscopic diagnosis of inflammatory bowel disease
.90	Inflammatory bowel disease	Fertility, pregnancy, and nursing in inflammatory bowel disease
.97	Inflammatory bowel disease	Hepatobiliary manifestations of inflammatory bowel disease
.97	Inflammatory bowel disease	Irritable bowel syndrome in patients with inflammatory bowel disease
۹۸.	Inflammatory bowel disease	Sulfasalazine and o-aminosalicylates in the treatment of inflammatory bowel disease
. 9 9	Inflammatory bowel disease	Surveillance and management of dysplasia in patients with inflammatory bowel disease
.1	Inflammatory bowel disease	Treatment of arthritis associated with inflammatory bowel disease
.1 • 1	Inflammatory bowel disease	Diversion colitis
.1.7	Inflammatory bowel disease	Eosinophilic gastroenteritis
٦٠٠٣	Inflammatory bowel disease	Familial Mediterranean fever: Epidemiology, genetics, and pathogenesis
١٠٤.	Inflammatory bowel disease	Gastrointestinal manifestations of systemic lupus erythematosus
.1.0	Inflammatory bowel disease	Lymphocytic and collagenous colitis: Clinical manifestations, diagnosis, and management
۲۰۱.	Inflammatory bowel disease	Management of familial Mediterranean fever
.1.7	Inflammatory bowel disease	Overview of gastrointestinal manifestations of vasculitis
۱۰۸	Inflammatory bowel disease	Clinical manifestations, diagnosis, and treatment of radiation proctitis
.1 • 9	Inflammatory bowel disease	Diagnosis and management of chronic radiation enteritis
.11•	Inflammatory bowel disease	Anti-tumor necrosis factor therapy in ulcerative colitis
.111	Inflammatory bowel disease	Approach to adults with steroid-refractory and steroid-dependent ulcerative colitis
.111	Inflammatory bowel disease	Clinical manifestations, diagnosis, and prognosis of ulcerative colitis in adults
.117	Inflammatory bowel disease	Management of mild to moderate ulcerative colitis in adults
.111	Inflammatory bowel disease	Management of severe or refractory ulcerative colitis in children and adolescents
.110	Inflammatory bowel disease	Management of severe ulcerative colitis in adults
.117	Inflammatory bowel disease	Overview of azathioprine and mercaptopurine use in inflammatory bowel disease
.117	Inflammatory bowel disease	Pouchitis: Epidemiology, clinical manifestations, and diagnosis
.114	Inflammatory bowel disease	Pouchitis: Management
.119	Inflammatory bowel disease	Surgical management of ulcerative colitis
.17.	Inflammatory bowel disease	Toxic megacolon
.171	Malabsorption syndromes	Diagnosis of celiac disease in adults
.177	Malabsorption syndromes	Management of celiac disease in adults
١٢٣	Malabsorption syndromes	Pathogenesis, epidemiology, and clinical manifestations of celiac disease in adults
.171	Malabsorption syndromes	Clinical features and diagnosis of malabsorption
.170	Malabsorption syndromes	Overview of the treatment of malabsorption
.177	Malabsorption syndromes	Protein-losing gastroenteropathy
.177	Malabsorption syndromes	Management of the short bowel syndrome in adults
.174	Malabsorption syndromes	Small intestinal bacterial overgrowth: Clinical manifestations and diagnosis
١٢٩	Malabsorption syndromes	Small intestinal bacterial overgrowth: Management
