

The image consists of a 10x10 grid of binary patterns. Each pattern is represented by a row of 10 squares, where each square is either black or white. The patterns are arranged in a repeating sequence across the grid. The first few rows show the following sequences:

- Row 1: Black, White, Black, White, Black, White, Black, White, Black, White
- Row 2: White, Black, White, Black, White, Black, White, Black, White, Black
- Row 3: Black, White, Black, White, Black, White, Black, White, Black, White
- Row 4: White, Black, White, Black, White, Black, White, Black, White, Black
- Row 5: Black, White, Black, White, Black, White, Black, White, Black, White
- Row 6: White, Black, White, Black, White, Black, White, Black, White, Black
- Row 7: Black, White, Black, White, Black, White, Black, White, Black, White
- Row 8: White, Black, White, Black, White, Black, White, Black, White, Black
- Row 9: Black, White, Black, White, Black, White, Black, White, Black, White
- Row 10: White, Black, White, Black, White, Black, White, Black, White, Black

The sequence then repeats from Row 11 onwards.
